Department of Public Utilities  
Fitchburg Gas and Electric Light Company d/b/a Unitil  
Docket No: D.P.U. 19-07/19-AMP  
Department of Public Utilities' First Set of Information Requests**

**Request No. DPU 1-6:**

Local Gas Distribution Companies refer to Attachment B, Table 3.

(a) Please provide the information specified in columns B through G, and columns J through M (see instructions provided at the bottom of the worksheet).

(b) Also provide any relevant supporting documentation that was used to calculate values entered into Table 3.

**Response:**

Please see DPU 1-6 Attachment 1. The customer bill impacts were calculated based on 2018 test year usage from D.P.U. 19-131, FG&E's most recent rate case. There are no incremental bill impacts however, since Unitil did not have any low-income customers served by competitive suppliers. The corresponding Excel file "Attachment B" is also provided. Please note that in the Excel file Unitil has reversed the formulas for Table 3, Columns H, I, N & O. For example, in the original table 3, Column I = Col G – Col E. However in the revised Table 3, Column I = Col E – Col G.
