**Question
DPU 1-5**

Local Gas Distribution Companies refer to Attachment B, Table 2. Please provide the information specified in columns B through H, and columns M through N (see instructions provided at the bottom of the worksheet).

Response: The Company does not have any default service residential low-income discount rate customers served by a competitive supplier for the above-mentioned period. In an effort to provide complete information to the Department, the Company has filled in Attachment B, Table 2 of Attachment DPU-1-4 with available information.
