

Information Request DPU 1-1

Request:

Electric Distribution Companies refer to Attachment A, Table 1. Please indicate the number of basic service customers, customers on individual competitive supply, and customers served by a competitive supplier through a municipal aggregation by rate class for January 2018 through March 2020.

Response:

Please see Attachment DPU 1-1, Table 1, for the requested information. This attachment reflects the total number of customers of Massachusetts Electric and Nantucket Electric combined. Rate R-3 is not applicable to either company. Rate R-4 was eliminated as result of the Department's order in D.P.U. 18-150 and all customers on Rate R-4 were moved to Rate R-1 effective November 1, 2020.
