

Information Request DPU 2-8

Request:

Refer to Attachment DPU IR 2, Table 6. Please provide the share of LI customers on a variable rate contract.

Response:

See Attachment DPU IR-2, Table 6 for a comparison of low-income rates effective on the first of each month vs rates effective for the prior three months. To the extent the prior three months included different effective values, the rate is flagged as variable for that month.
