

Information Request DPU-2-8

Request:

Refer to Attachment DPU IR 2, Table 6. Please provide the share of LI customers on a variable rate contract.

Response:

Please refer to Attachment DPU IR 2, Table 6. Please note, Liberty is unable to determine the number of customers on a variable rate competitive supply contract. As explained in the Company's response to information request DPU 2-6, during this time frame all customers receiving competitive supply were billed directly through their competitive supplier, therefore the Company is unable to determine the rate being charged.
