**THE BERKSHIRE GAS COMPANY
D.P.U. 19-07/19 AMP**

Witness: Jennifer Boucher/Robert Gyurjan
Date: **March 31, 2021**

Question

IR DPU 2-9 Discuss the costs associated with, and the operational feasibility of, returning LI customers to default service.

Response: No LI customers have ever been served by a competitive supplier. Berkshire's LI customers have historically only taken default service.
