Re: *Investigation by the Department of Public Utilities On Its Own Motion Into Electric Distribution Companies' (1) Distributed Energy Resource Planning and (2) Assignment and Recovery of Costs for the Interconnection of Distributed Generation, D.P.U. 20-75*

Dear Secretary Marini:

The Massachusetts Office of the Attorney General (“AGO”) submits the following response to the Department’s Information Request, Stakeholder-5. The AGO filed comments in this proceeding and is presumably considered a “Stakeholder” for purposes of this investigation, however, the first four Department Information Requests to Stakeholders pertain to project development specifically. As the AGO is not in the position to develop distributed energy generation projects, no responses to Stakeholder Information Requests 1–4 are offered herein.

Sincerely,

/s/ Elizabeth Mahony
