DEPARTMENT OF PUBLIC UTILITIES

SECOND SET OF INFORMATION REQUESTS OF THE
DEPARTMENT OF PUBLIC UTILITIES
TO NON-EDC PARTICIPANTS IN THIS PROCEEDING
D.P.U. 20-75

Pursuant to 220 CMR 1.06(5)(c), the Department of Public Utilities (“Department”) submits to the non-EDC participants in this proceeding (“Stakeholders”) its Second Set of Information Requests. Responses should be submitted **before 5:00 p.m. on Friday, May 21, 2021**.

Requests

- Stakeholders-2-1 Refer to National Grid’s response to EDC-1, at 8-9. Please provide your perspective on National Grid’s proposal to allocate up to 40 percent of the DG interconnection costs as system benefits to all customers.
- Stakeholders-2-2 Refer to Stakeholder responses to Stakeholder-4, which include recommendations for a 30-to-45-day Department review of an EDC’s provisional system planning program proposal. Refer to (a) G.L. c. 30A, §§ 1(1), 10, 11, 12; and (b) 220 CMR 1.00. Considering the interests and issues involved in the review of an EDC’s provisional system planning program proposal, the Department may be required to conduct the reviews of these proposals through an adjudicatory proceeding, which includes notice, intervention, discovery on petitioner’s filing, opportunity for intervenors to file direct cases, discovery on intervenors’ cases, opportunity to present rebuttal testimony, evidentiary hearings, briefs (initial and reply). Assume you are a party to an adjudicatory proceeding to review an EDC’s provisional system planning program proposal, identify the time period you would request for each of these procedural steps.
- Stakeholders-2-3 Refer to your response to Stakeholders-2-2. Explain how such a process would affect your decision to move forward with your DG project.
- a) Provide a response based on an adjudicatory proceeding timeline of 3 months;

- b) Provide a response based on an adjudicatory proceeding timeline of 6 months; and
- c) Provide a response based on an adjudicatory proceeding timeline of 9 months.
