#### **NOTICE OF FILING AND PUBLIC HEARING**

D.P.U. 21-05 June 8, 2021

Petition of the City of Quincy for approval by the Department of Public Utilities of a municipal aggregation plan pursuant to G.L. c 164, § 134.

On January 29, 2021, the City of Quincy ("City") filed a request with the Department of Public Utilities ("Department") for approval of a municipal aggregation plan pursuant to G.L. c. 164, § 134. General Laws c. 164, § 134 authorizes a municipality to procure electric supply on behalf of consumers within its municipal borders through a municipal aggregation program ("Program"). Eligible electricity consumers not already enrolled with a competitive electric supplier would be automatically enrolled in the Program unless they chose to opt-out, in which case they would continue to receive basic service provided by their electric distribution company, Massachusetts Electric Company d/b/a National Grid. The Department docketed this petition as D.P.U. 21-05.

The City has retained Good Energy, L.P. to serve as its agent and consultant in this proceeding and to assist in the implementation of the Program. The City seeks a waiver on its own behalf and on behalf of the competitive electric supplier(s) chosen for the Program, of certain information disclosure requirements contained in G.L. c 164 § 1F(6) and 220 CMR 11.06(4)(c).

Due to the COVID-19 state of emergency issued by Governor Baker on March 10, 2020, and certain ongoing restrictions and safety measures relating to in-person events, the Department will conduct a virtual public hearing to receive comments on the City's filing. The Department will conduct the hearing using Zoom videoconferencing on Thursday, July 22, 2021 beginning at 7:00 p.m. Attendees can join by entering the link, <a href="https://zoom.us/j/99705532043">https://zoom.us/j/99705532043</a>, from a computer, smartphone, or tablet. No prior software download is required. For audio-only access to the hearings, attendees can dial in at (646) 558-8656 (not toll free) and then enter the Meeting ID# 997 0553 2043. If you anticipate providing comments via Zoom during the public hearing, please send an email by the close of

business (5:00 p.m.) on Tuesday, July 20, 2021, to <u>stephanie.mealey@mass.gov</u> with your name, email address, and mailing address.

When using the Zoom platform, you will be able to listen to the hearing and provide comments in English or Chinese. To access interpretation services through Zoom during the hearing, click on the "Interpretation" button on the menu bar at the bottom of the Zoom application screen and select your language (i.e., English or Chinese (Mandarin)).

Alternatively, any person who desires to comment on this matter may submit written comments to the Department via email no later than the close of business (5:00 p.m.) on **July 23**, **2021**. To the extent a person wishes to submit comments in accordance with this Notice, electronic submission, as detailed below, is sufficient.

All written comments or other documents should be submitted to the Department in **PDF format** by e-mail attachment to <u>dpu.efiling@mass.gov</u> and <u>stephanie.mealey@mass.gov</u>. In addition, all written comments should be emailed to counsel for the City's agent, Scott Mueller, Esq., at <u>scott@sjmuellerlaw.com</u>. The text of the e-mail must specify: (1) the docket number of the proceeding (D.P.U. 21-05); (2) the name of the person or company submitting the filing; and (3) a brief descriptive title of the document. All documents submitted in electronic format will be posted on the Department's website as soon as practicable at <a href="http://www.mass.gov/dpu">http://www.mass.gov/dpu</a>. The e-mail must also include the name, title, and telephone number of a person to contact in the event of questions about the filing. Importantly, all large files must be broken down into electronic files that do not exceed 20MB.

At this time, all filings will be submitted only in electronic format in recognition of the difficulty that parties and the Department may have filing and receiving original copies. Ordinarily, parties would follow Sections B.1 and B.4 of the Department's Standard Ground Rules regarding the filing of original paper versions (D.P.U. 15-184-A, App. 1 (March 4, 2020)). However, due to the Commonwealth's state of emergency, until further notice, parties must retain the original paper version and the Department will later determine when the paper version must be filed with the Department Secretary.

The City's filing and all related documents submitted to or issued by the Department will be available at the Department's website as soon as is practicable at <a href="https://eeaonline.eea.state.ma.us/DPU/Fileroom/dockets/bynumber">https://eeaonline.eea.state.ma.us/DPU/Fileroom/dockets/bynumber</a> (enter "21-05"). A paper copy of the filing will not be available for public viewing at the City's offices or the Department due to the state of emergency. To request materials in accessible formats (Braille, large print, electronic files, audio format) for people with disabilities, contact the Department's ADA coordinator at DPUADACoordinator@mass.gov.

Any person desiring further information regarding the City's filing or a paper copy of the filing should contact Scott Mueller, Esq. at <a href="mailto:scott@sjmuellerlaw.com">scott@sjmuellerlaw.com</a> or (978) 460-0693. For further information regarding this Notice, please contact Stephanie Mealey, Hearing Officer, Department of Public Utilities, at <a href="mailto:stephanie.mealey@mass.gov">stephanie.mealey@mass.gov</a>.
