Hi DPU-

Uh, the fact that it appears you do not have many comments on this inquiry at this point means you have already blown it.

Your outreach to the people that really matter—EJ communities, etc—has already failed. It was inadequate or absent completely.

DPU must get full input from the EJ communities before going any further.

DPU must extend the deadline for comments and make every attempt available to DPU to get feedback from EJ communities.

Thanks you,
