### MEMORANDUM

TO: Service List, D.P.U. 19-07, Investigation into Initiatives to Promote and Protect Consumer Interests in the Retail Electric Competitive Supply Market

FROM: Gregory Wade, Hearing Officer

RE: Procedural Notice

DATE: July 27, 2021

CC: Mark D. Marini, Secretary

---

On July 2, 2021, the Department scheduled a technical session on Wednesday, July 28, 2021, to discuss the bi-annual Enrollment and Automatic Renewal reports that Competitive Suppliers are required to submit pursuant to Order on Tier One Initiatives, D.P.U. 19-07-A at 71-74, 77-80 (2020). The Joint Committee on Telecommunication, Utilities, and Energy has also scheduled a hearing for July 28, 2021 to discuss legislation related to competitive supply. Recognizing that the D.P.U. 19-07 technical session may pose a conflict for stakeholders who wish to attend both events, particularly for those stakeholders who plan to testify at the legislative hearing, the Department has postponed the technical session.

Department staff will identify a new date for the technical session, and provide stakeholders with the date, and information on accessing the session, in a subsequent memorandum.
