## Data Collection

### Eversource Energy as of March 31, 2023

#### **A) Bad Debt:**

1. reported revenues,
2. accounts receivable,
3. gross accounts receivable write-offs, and
4. accounts receivable recoveries to track basic information surrounding bad debt costs.

#### **B) Financial Health Information**

1. any increase, or requested increase, to bank lines of credit;
2. any issuance of dividends, plans to issue dividends, increase in dividend amounts, and plans to increase dividend amounts;
3. capital markets access; and
4. credit rating agency actions.

#### **C) Customer-Specific Data**

1. Number of customers, by customer class;
2. Number of customers, by customer class, disconnected during the period;
3. Number of customers, by customer class, receiving disconnection notices during the period;
4. Number of customers, by customer class, reconnected during the period;
5. Number of customers, by customer class, assessed reconnection fees or charges during the period;
6. Number of customers, by customer class, assessed credit card fees or charges during the period;
7. Number of customers, by customer class, assessed late payment fees or charges during the period;
8. Number of customers, by customer class, taking service at the beginning of the period under existing deferred payment arrangements;
9. Number of customers by customer class, completing deferred payment arrangements during the period;
10. Number of customers, by customer class, enrolling in new deferred payment arrangements during the period;
11. Number of customers, by customer class, renegotiating deferred payment arrangements during the period;
12. Number of customers taking service at the beginning of the period under existing hardship protections;
13. Number of customers completing hardship protections during the period;
14. Number of customers enrolling in new hardship protections during the period;
15. Number of customers, by customer class, completing an AMP program during the period;
16. Number of customers, by customer class, enrolling in an AMP program during the period;
17. Number of customers, by customer class, re-enrolling in an AMP program during the period;
18. Number of customers, by customer class, dropping off an AMP program during the period;
19. Number of customers enrolling in the low-income discount rate program during the period;
20. Number of customers dropping off the low-income discount rate program during the period;
21. Number of by customers, by customer class, with required deposits with the company at the beginning of the period;
22. Number of customers, by customer class, required to submit new deposits or increased deposits during the period;
23. Number of customers, by customer class, whose required deposits were reduced in part or foregone during the period; and
24. Number of customers, by customer class, whose deposits were returned in full during the period.
