Re: Massachusetts Electric Company, Nantucket Electric Company, and Boston Gas Company, each d/b/a National Grid; D.P.U. 20-58-A. Monthly Report of Data on Uncollected Customer Accounts/Arrearages

Dear Secretary Marini:

On behalf of Massachusetts Electric Company, Nantucket Electric Company, and Boston Gas Company, each d/b/a National Grid (together, “National Grid” or “the Company”), enclosed are Corrected Reports of Data on Uncollected Customer Accounts/Arrearages for the month of October, 2024. During the weekend of May 25, 2024, the Company underwent a major system conversion. Because of the system conversion, the Company discovered certain structural issues in the queries and spreadsheet for the report containing the NCLC data. Therefore, the Company submits a corrected version of the report. It is not expected that this will be an issue in future reporting. The other report remains unchanged and unaffected, but is nonetheless submitted again in order to provide a complete reporting.

Also enclosed is a certificate of service. Thank you for your time and attention to this matter. Please do not hesitate to contact me if you have any questions.

Very truly yours,

Ashley M. Berger
