Date: Tuesday, June 27, 2017 12:24:47 PM
Importance: High

Please be advised that the Energy Facilities Siting Board ("EFSB" or the "Siting Board") will conduct a procedural conference for the Sudbury-Hudson case (EFSB 17-2/DPU 17-82/17-83) at the EFSB offices, One South Station, 5th Floor, Hearing Room C, on **Friday, July 7, 2017 at 10:00 am**. Intervenor, with full rights in the case to present evidence, conduct discovery, and cross-examine witnesses during evidentiary hearings, will be asked to discuss the schedule for the case going forward.

Limited Participants may attend, but because of their more limited level of allowed participation in the evidentiary phase of the case, will not be asked for comment on the schedule. I will issue a draft schedule for your review prior to the procedural conference.

Thank you for your attention to this matter.
